**“Honor your father and mother” (this is the first commandment with a promise), that it may go well with you and that you may live long in the land.” Ephesian 6:2-3**

Dear Family and Friends,

We just enjoyed a weekend with David and Hope as they visited us from Florida. We are so blessed to have our family and be able to enjoy all the times we can get together! It is a joy to eat, laugh and love on each other as stories are shared. It is also a time to speak of Jesus Christ openly and bless the next generation as we thank God for their lives!

We also are so blessed by the spiritual family that God has placed us into. Visiting churches, lunches with friends and mentors, all these bring fresh breezes of God’s love into our lives each month. We could not do all that we do without the love, friendship and support we received from so many.

One of the blessings we have each year is to share all that God has done at our Annual Fundraising Picnic. This is our opportunity to reflect on the year and praise God for what He is doing in His kingdom and sharing it with each of you. We would love to see you there!

## March

Colonial Baptist Missions Conference 2024

After an amazing month in Venezuela, God opened the door into March with our friends at Colonial Baptist church here in Baltimore who hosted their 25<sup>th</sup> Annual Missions Conference. We are especially thankful to Pastor Cecil and Karen for their hospitality and friendship over these many years. This year, the Spanish church, Nueva Vida, sent Cesia and her sisters to sing during the Praise night of the conference. This added some Latin flavor to the weekend and a new generation of people to be involved in missions!

Baltimore School of the Bible

It’s been a blessing to meet with new friends from the Baltimore School of the Bible who invited Adam to speak at their annual mission’s meetings. What a joy to share with their students and staff on the book of Acts! Thank you,

Vince Mercer, and Bob Lippy! We were also able to promote the prayer seminar with churches and students during the two nights. Thanks to John Finnessy and Phil Stewart for joining me to spread the word about the Prayer Seminars.

Adam’s first prayer seminar this month was in Scranton, PA hosted by Marcelo and his Steamtown Spanish church. Another great group attended while learning and sharing on prayer through the lens of the word of God.

Adam has been able to share on missions work in Venezuela at local bible studies and Spanish church services. We are thankful for friends and believers who are still hungry for news from abroad and

Ministering at CE Getsemani, Rosedale, MD

how God is working outside the USA.

During this Easter season, our church hosted an egg hunt. Dianna invited her ESL students/families and a handful attended the event. This gave us another moment to share and meet other family members. This is also the big week we show the Jesus film in the different languages in the ESL classes. Then we explain the message and meaning of Easter. This always opens up conversations with our students in regards to the Gospel. Please continue to pray that the ESL ministry

will plant many seeds and see a harvest of new believers for the kingdom of God!

In Ephesians 6:2, we are exhorted to honor our mother and father. When we are in Baltimore, we stay with Adam's mom, Leonor. In March, she turned 89 years old, and she is still going strong! We also live just 15 minutes from Dianna's parents and we attend the same church with them. We are thankful for this season to be here to help care for them. They are precious gifts to us! And we are

blessed that they also share our faith. How special it was to share Easter Dinner with our family and to be able to consider God's great gift of salvation to us all! It was a great month!

Grace Community Church's annual Easter Egg hunt: we had 7 ESL families come and enjoy the day!

Family time!
